Mania

Huntress

I can't remember what happened last night
Can't the light, last forever
What happened last nightIf you ever spent a night in my head
By the morning you'd be dead
It's getting harder every time to pretend
I'm getting harder to defendI lose control, she takes hold
My spine distorts, the face you've known morphs
Violence comes next, I see red
I tried to stay sane for ya, but I'm ruled by Mania
I wake up feeling that this will be the day
All my addictions fade away
It never lasts, I will find an excuse
This Crone inside me rulesI lose control, she takes hold
My spine distorts, the face you've known morphs
Violence comes next, I see red
I tried to stay sane for ya
But I'm ruled by ManiaI lose control, I lose control
She takes hold, I lose controlI can't remember
What happened last night
Can't the light, last forever
I lose control, she takes hold
My spine distorts, the face you've known morphs
Violence comes next, I see red
I tried to stay sane for ya
But I'm ruled by ManiaViolence comes next, I see red
I tried to stay sane for ya
But I'm ruled by Mania
