

El Urgencia

Hollywood Undead

Six pack in hands
Stage dive to the pit
Hustle the ladies
Got gorilla tacticts
I'm creepin through the show
When I'm scanning for hoes
Girls got a bag of slippers
Wanna do the no no
Get back to the bus
It's the end of the night
Get back to the bus
And get out of my life
Cuz I got people to see
Hoes as freaky as me
I roll it to the after party with my boy Charles P
Picked up a few friends
Now I'm dippin with bitches
Socked the bitch to my right
I said click it or ticket
Girl feeling my ride
Now she's getting suspicious
This a brand new Miata
As I'm Hittin Them Switches
I ride behind Charlie
As he's poppin a wheelie
I finally made it to the party
Now he's coppin a feely
See Da Kurlzz out front doing tricks on his Heely's
(Hi guys)
Now I'm finna get down yelling somebody beer me

So chug this beer with me
Get drink with Charlie Scene
Sense this urgency
Cause I ain't tryna get drunk alone
So smoke this joint with me
Get high off Funny's weed
Sense this urgency

Cause I ain't tryna get high alone

I roll up to the party in my Honda
Funny followed me is his Madza Miata

Damn what a balla

Top down what a primadonna

The spinners that he bought

Straight out of Auto Zone for 30 dollars

Money we have nadda

Lets go inside i'll folla

They didn't let us in

So we hopped a

wall but I dropped ya

Thats when I lost ya

I didn't try ta call ya

I ran into a crowd of Celebrities and Papa--

razzi and they shot a

Pictures of me and Dennis Harper

Now I needa doctor

Yo little John-ya

Crunk juice and Vodka

Is turning me into a monster

One more shot and imma gon-ah

(Funnyman- But Charlie, i saw ya stick your dick in the salsa)

I don't want no drama

I'd rather have my anaconda

Deep throated by Piranas

So take these pills with me

Got'em from J-D-O-G

Sense this urgency

Cause I don't wanna get high alone

So take this Ecstasy

They must be J3T's

Sense this urgency

Cause I ain't trya get down alone

hey, who's going to the rave tonight, huh

(hey, we'll see some girls there, it be rave poppin)

oh, odela fool.

Who's wants to get pussy

So chug this beer with me

Get drink with Charlie Scene

Sense this urgency
Cause I ain't tryna get drunk alone
So smoke this joint with me
Get high off Funny's weed
Sense this urgency
Cause I ain't tryna get high alone
