

Stupid Money (feat. Assassin)

Wayne Marshall

(Chorus)

Stupid money
Rich until mi fool
Buy a big mansion for money
Wid an Olympic size pool
Stupid money
Rich until mi fool
Buy a big mansion for money
Wid an Olympic size pool

(Verse 1)

Chedda, chedda, genuine leader
From bully beef to lobster brushedder
Jet setter, shopping in Vina
Custom Lui V wid the shades and the sweater
To find the treasure a dub beeper
I got better focus true nothing better
Now am a master, money getter
Rich forever have new fans weh look like Cesher
Regard the Dancehall artist check the farbs list
JA is where ma heart is but am thinking like sardies
Mi sing more hard Knox than karaties
Back when life was the hardest
Now everything worked out like pelartis
From a very tender age I know I was above the average
Inate knowledge, the kind you never learn in a college
From yo money too big, and stupid, and retarded
Sing along wid the kids them in the clubs them and the parties

(Repeat Chorus)
