Don't Believe In Love

Zox

I wanna go to bed with arms around me but wake up on my own
Pretend that I'm still sleeping 'til you go home
I can't look at you this morning, I should probably have a sign
That says leave right now or quicker, you've overstayed your time
If I don't believe in love nothin' will last for me
If I don't believe in love nothin' is safe for me
When I don't believe in love you're too close to me
That's why you have to leave
Maybe I slept peaceful on your shoulder, your arm warm around my side
But it's different now, it's morning and I can't face your smile
The second that I feel your safe hands reachin' out for mine
I slip away and out of sight, you've overstayed your time
If I don't believe in love nothin' is good for me
If I don't believe in love nothin' will last for me

If I don't believe in love nothin' is new for me
Nothing is wrong for me and nothin' is real for me
If I don't believe in love nothin' is good for me
If I don't believe in love nothin' will last for me
When I don't believe in love nothin' is new for me
Nothing is wrong for me and nothin' is real for me
If I don't believe in love why do you care for me?
When I don't believe in love nothin' is real for me
If I don't believe in love you're getting' too close to me
That's why you have to leave, that's why you have to leave
If I don't believe in love, if I don't believe in love
If I don't believe in love nothin' is left for me
If I don't believe in love you're too good for me
