This Time (South Rakkas Crew Remix)

DJ Shadow

In the beginning, well, I didn't know
As time passed on still didn't know, I didn't knowBut this time, this time I'm gonna try it my way,
I'm gonna live life my way
This time, this time I'm gonna try it my way,
I'm gonna live life my wayWell, I didn't know, just couldn't see
The memories of past failures like a shadow haunting meBut this time, this time I'm gonna try it my way,
I'm gonna try it my way
Yeah, this time, this time I'm gonna try it my way,
I'm gonna live life my wayThere was a dream, I wanted to come true
But dreams you know they need to be followed throughThat's why this time, this time I'm gonna try it my way,
I'm gonna try it my way
Yeah, this time, oh, this time I'm gonna try it my way,
I'm gonna live life my way
