Feed Me Hope

Unami Magwenzi

If I was failing to touch the sky
Iâ€™d understand my fate
If I was failing to reach the moon
I'd understand my placeÂ

But I am failing to touch my dreams
Iâ€™m failing to feel the hope
I'm failing, I'm failing, I'm failing

So take me now, Give me hope
Take me now or I can't breath
Lord of Hosts, King of Kings
Take me now, feed me hope

Chorus

So take me now, Give me hope
Take me now or I can't breath
Lord of Hosts, King of Kings
Take me now, feed me hope

I'm failing
I'm failing
I'm failing
Feed me hope
So I can breathe.
