

Heartbreak Heard Around the World (feat. T-Pain)

Jacob Latimore

Hell of a night, 3:32
Wishing that I was there with you
Stuck in a cab, too hard to drive
Yeah I'm just trying to survive
And I was thinking 'bout love, thinking 'bout us
Even the dream that we dreamed of
And I was thinking 'bout life, thinking 'bout time
Thinking like I'm losing my mind
You got me singing like Oh oh, never gonna find another love like you like
Oh oh, I had another lover but she just won't do it and
I can't take it, so come back girl
Swear to God if you don't come back girl like oh oh
This will be the heartbreak heard around the world See I'm stuck in a maze, trying to find
Find my way back into your life
Dying for one, one night with you
Just one more chance, and that will do
Cause I was thinking 'bout lies, thinking 'bout truth
What can I do to make it up to you?
Thinking 'bout life, thinking 'bout time
Thinking like I'm losing my mind
You got me singing like Oh oh, never gonna find another love like you like
Oh oh, I had another lover but she just won't do it and
I can't take it, so come back girl
Swear to God if you don't come back girl like oh oh
This will be the heartbreak heard around the world I know I ain't trippin', I gotta be honest
I ain't never felt quite like this
Anything you want, if I got it, you got it
Baby I don't wanna fight like this
I was thinking 'bout putting a ring on it
I should've gave you everything you wanted
I ain't gon' never find a girl like you
And even with this autotune
You got me singing like Ooooh
Like ooooh
You got me singing like Oh oh, never gonna find another love like you like
Oh oh, I had another lover but she just won't do it and
I can't take it, so come back girl
Swear to God if you don't come back girl like oh oh
This will be the heartbreak heard around the world
