

Symphonia IX (My Wait Is U)

Grimes

You try, you try
To make you cry
And make you love me

Ohh, I would say yes
Ohh, I would say yes

The need to be the best before
The need to rest

Ohh, I would say yes
Ohh, I would say yes

Si, my wait is u
My wait is u, my wait is u
(and I won't go on)

Si, my wait is u
My wait is u, my wait is u
(and I won't go on)

To he pain of you deflame can be trying
Ohh, I would say yes
Ohh, I would say yes

So as you fade away your life
I lay dying

Ohh, I would say yes
Ohh, I would say yes

Si, my wait is u
My wait is u, my wait is u
(and I won't go on)

Si, my wait is u
My wait is u, my wait is u
(and I won't go on)
