

# We Come Running

## Youngblood Hawke

We come running  
We come running  
We come running  
We come running Under a pale blue sky  
You never felt so cold  
Another sleepless night  
How could you ever let go  
How do you recognize  
A dirty face of gold  
Behind that crooked line  
Where you never knew you'd go Headed for the open door  
Tell me what you waiting for  
Look across the great divide  
Soon they're gonna hear  
the sound, the sound, the sound  
When we come running  
Never go where we belong  
Echoes in the dead of night  
Soon they're gonna know  
the sound, the sound, the sound  
When we come running Ooh woah oh, ooh woah oh oh  
Ooh woah oh, ooh woah oh oh  
Ooh woah oh, ooh woah oh oh  
The sound, the sound, the sound  
When we come running When the world's gone quiet (woah oh)  
I see you dancing slow (woah oh)  
Feelin' satisfied  
where you never knew you'd go Headed for the open door  
Tell me what you're waiting for  
Look across the great divide  
Soon they're gonna hear  
the sound, the sound, the sound  
When we come running  
Never go where we belong  
Echoes in the dead of night  
Soon they're gonna know  
the sound, the sound, the sound  
When we come running Ooh woah oh, ooh woah oh oh  
Ooh woah oh, ooh woah oh oh

Oooh woah oh, ooh woah oh oh  
The sound, the sound, the sound  
When we come running Days go by  
Feelin broken down  
Remember, always remember (Oh, woah)  
The sound, the sound, the sound  
When we come running  
The sound, the sound, the sound  
When we come running  
(In the background)  
Headed for the open door Headed for the open door  
Tell me whatchya waiting for Oooh woah oh, ooh woah oh oh  
Look across the great divide Oooh woah oh, ooh woah oh oh  
Soon theyre gunna hear Oooh woah oh, ooh woah oh oh  
The sound, the sound, the sound Oooh woah oh, ooh woah oh oh  
When we come running When we come running  
Oooh woah oh, ooh woah oh oh Oooh woah oh, ooh woah oh oh
