

# Doing M' Thing

Nhojj

Its Sunday morning  
And Im alone on the beach  
Watching the beauty of sunrise  
Wind through my hair  
Caressing my face  
Feeling the sand beneath my feetLater that day  
Im walking through the park  
Listening to the song on the breeze  
Love is the thought  
Peace in my heart  
I know whyChorus: Cause Im doing my thingThe candles are lit  
Incense stick burning  
Nurturing the spirit within  
Warm waters running  
Sea salts are falling  
Badu badu do we do beMusic is soft  
Jazz to be precise  
Strawberries lay in a dish  
You may expect to hear someone at the door  
But no tonightChorus: Cause Im doing my thing
