

# Believe In Me

Rooney

I can never win with you  
I try but you don't let me through  
Well, what's the point in fighting  
When we're done? I know I've been acting strange  
But wait, don't leave, I know I'll change  
We're wasting all our time  
Together now Well, I don't know what to say  
Every word just makes you turn away  
And I don't know what to do  
Every day I wanna be with you Well, I've lost the battle and I'm losing the war  
And I keep on asking myself what for  
If you believe in fate and destiny  
Well, then open your eyes and believe in me Believe in me  
You believe in me I call you up and apologize  
But you just think it's one big lie  
Well, don't you know  
You're pushing me away? We've been through so much together  
You can't tell me  
The past will never mean a thing  
It's more than a memory I don't know what to say  
Every word just makes you turn away  
And I don't know what to do  
Every day I wanna be with you Well, I've lost the battle and I'm losing the war  
And I keep on asking myself what for  
If you believe in fate and destiny  
Well, then open your eyes and believe in me Cause every one I see around  
Tells me that I'm such a fool  
For making you my punching bag  
Were these really words that bad I've lost you now, I've lost you now  
And I don't know how to get you back  
I'm not myself, I'm not myself  
I gotta get us back on track Well, I don't know what to say  
Every word just makes you turn away  
And I don't know what to do  
Every day I wanna be with you Well, I've lost the battle and I'm losing the war  
And I keep on asking myself what for  
If you believe in fate and destiny  
Well, then open your eyes and believe in me Believe in me, yeah  
Believe in me, yeah

Believe in me, yeah  
Believe in me, yeah  
You believe in me
