

# Seize the Night (feat. Pitbull)

## Honorebel

Everybody!  
Get your hands up!  
(Honorebel) Pitbull  
(You know how we get down)  
Cool breeze! It's not my fault  
That your girl is intrigued  
By the little thing that's been given to me  
It's not my fault  
That your girl been running around  
Spending all your money on me  
It's not my fault  
You shouldn't blame me  
Frankly, you should thank me  
Think about it  
It's not my fault  
I just showed you your girl's true colors  
So next time think about it  
Ohhh ohhh, baby girl (ha)  
So many things that we could do (yeah)  
Ohhh ohhh, don't you know  
Gotta live for the moment  
I'm ready for some more, oh oh oh  
Let's take it to the floor, oh oh oh  
'Cause I don't wanna waste no time  
The feeling's right  
Rocking in the moonlight  
I'm ready to let go, oh oh oh  
I'm losing all control, oh oh oh  
So let me give my love to you  
I want us to  
Live for the moment  
Seize the night (yeah)  
Seize the night (wow)  
(Honorebel)  
Me nuh want no other girl fi talk to  
Make them hate pon you if them want to

Ohhh ohhh, don't you know  
Gotta live for the moment  
I'm ready for some more, oh oh oh  
Let's take it to the floor, oh oh oh  
'Cause I don't wanna waste no time  
The feeling's right  
Rocking in the moonlight  
I'm ready to let go, oh oh oh  
I'm losing all control, oh oh oh  
So let me give my love to you  
I want us to  
Live for the moment  
Seize the night (everybody, sing it)  
Seize the night (put your hand up, yeah, yeah, comon, huh)  
The feelings we have we can't deny  
On cloud nine have me floating high  
Have me feel like I'm 10 feet high  
I could touch the sky  
The feelings we have we can't deny  
On cloud nine have me floating high  
Have me feel like I'm 10 feet high  
I could touch the sky  
I'm ready for some more, oh oh oh  
Let's take it to the floor, oh oh oh  
'Cause I don't wanna waste no time  
The feeling's right  
Rocking in the moonlight  
I'm ready to let go, oh oh oh  
I'm losing all control, oh oh oh  
So let me give my love to you  
I want us to (cool breeze)  
Live for the moment  
I'm ready for some more, oh oh oh  
Let's take it to the floor, oh oh oh  
'Cause I don't wanna waste no time  
The feeling's right  
Rocking in the moonlight  
I'm ready to let go, oh oh oh  
I'm losing all control, oh oh oh  
So let me give my love to you

I want us to  
Live for the moment  
Seize the night
