

I'll See You Again

Jimmy Tittle

Iâ€™ll see you again Jimmy Tittle
I wanna look at you baby
One last time
I wanna hold a picture of you
I wanna burn it in my mind
Memories of a warm, special friend
When I close my eyes, Iâ€™ll see you again
The Iâ€™ll remeber you
Smiling that magic smile,
A careless sort of prettiness,
Almost like a child.
Summerd ays and love
I thought would never end
When I close my eyes,
Iâ€™ll see you that way again
Youâ€™ll be waiting,
Just beyoun d my reach
And Iâ€™ll be dreaming
That never-ending dream
If I could only wake up tomorrow
And you could love me again
Iâ€™d give everything
To hold you again
Cuz Iâ€™ve got lots of memories
And youâ€™re right there most all the time
And it serves me so well, baby,
That youâ€™re always on my mind
Memories of a warm, special friend
When I close my eyes,
Iâ€™ll see you again (x2)
