

Walk by

Meiko

You said everything's going to be alright
Going to work out this time
And Im sure daddys in bed
Thinking 'bout my life and how to make it right now
Its a long way home
Its a long way homeAnd its too late for wanting
The best thing for me now
So walk by
And you cant keep saying
The same thing to me now
So walk byTake back the promises you made
And break free from all the things that you have left behind
'Cause its a long way home
Its a long way homeAnd its too late for wanting
The best thing for me now
So walk by
And you cant keep saying
The same thing to me now
So walk byEverything has a reason for it
Everyone has a story to tell
Everything has a reason for it
Everyone has a story, dont they?Its a long way home
It's a long way home
It's a long way home
It's a long way homeAnd its too late for wanting
The best thing for me now
So walk by
And you cant keep saying
The same thing to me now
So walk byIts a long way home
It's a long way home
