

Kick The Habit

Tyler Bryant & The Shakedown

If I could light, light you up
I think Id smoke a pack a day
If I could drip, drip you dry

Think Id drink, drink you straightId get my fix with every kiss from lips of novocainI cant quit, I gotta have it
In so deep, I crave it bad

Its all I want, to be your addict
Girl you make it hard to kick the habitShake, make me shake

Put your kiss on my face
Knock me down, spin me round

You wont keep me on the groundOh so pretty, makes me dizzy
Too much aint enoughI cant quit, I gotta have it

In so deep, I crave it bad
Its all I want, to be your addict

Girl you make it hard to kick the habitI gotta have you
I gotta have you

I gotta have youIll be your personal junky
The beating in your heart
Just say you gotta have me

Say youll never stopI cant quit, I gotta have it
In so deep, I crave it bad

Its all I want, to be your addict
Girl you make it hard to kick the habitI gotta have you

I gotta have you
I gotta have you
