My Heart Is Broken

Evanescence

I will wander until the end of time
Torn away from you

I pulled away to face the pain
I close my eyes and drift away
Over the fear
That I will never find a way
to heal my soul
And I will wander until the end of time
Torn away from you

My heart is broken
Sweet sleep, my dark angel
Deliver us from sorrow's hold
Over my heart
I can't go on living this way
I can't go back the way I came
Chained to this fear
That I will never find the way
to heal my soul
And I will wander until the end of the time

Half alive without you

My heart is broken
Sweet sleep, my dark angel
Deliver us
Change
Open your eyes to the light
I denied it all so long
Oh so long
Say goodbye, goodbye

My heart is broken
Release me, I can't hold on
Deliver us

My heart is broken
Sweet sleep, my dark angel

Deliver us

My heart is broken
Sweet sleep, my dark angel
Deliver us from sorrow's hold
