

# Memories Turn To Dust

EsmÃ©e Denters

I can feel your arms around me  
Have you forgotten who I am  
'Cause your reflection still surrounds me  
All the moments that we shared

Sometimes I just sit and wonder  
Can't believe we let it come this far  
Reminiscing 'bout what could have been  
But you're already gone

I can still see your face  
I can hear the way you tell me not to rush  
Seems like yesterday  
Now it's so hard to trust  
When memories turn to dust

I can't get rid of this strange feeling  
Feels like your right here by my side  
My heart is broken, never healing  
I could just throw away our time

We we're once so close  
That I just can't let go  
Always together  
Now I'm standing here alone

I can still see your face  
I can hear the way you tell me not to rush  
Seems like yesterday  
Now it's so hard to trust  
When memories turn to dust

I can still see your face  
I can hear the way you tell me not to rush  
Seems like yesterday  
Now it's so hard to trust  
When memories turn to dust

I can still see your face  
I can hear the way you tell me not to rush

And it seems like yesterday, baby

Now it's so hard to trust

When memories turn to dust
