Beautiful Red Dress

Laurie Anderson

Well I was down at the zig zag that's the zig zag bar & grill and everybody was talking at once and it was getting real shrill. and I've been around the block but I don't care I'm on a roll
On a wild ride cause the moon is full and look out baby - I'm at high tide. I've got a beautiful red dress and you'd look really good standing beside it.. I've got some beautiful new red shoes
Hey look so fine I've got a hundred and five fever and it's high tide. well just the other day I won the lottery I mean lots of money I got so excited I ran into my place and I said: hey! is anybody
Home? nobody answered but I guess that's not too weird since I live alone. I've got a beautiful red dress and you'd look really good standing beside it.. girls? we can take it and if we can't we
gonna fake it we're gonna save ourselves we're gonna make it and if we don't we're gonna take it we're gonna save ourselves save ourselves well they say women shouldn't be the president cause we
crazy from time to time well push my button baby here I come yeah look out baby I'm at high tide I've got a beatiful red dress and you'd look really good standing beside it.. I've got a little jug of red sangria wine and we could
Little sips from time to time I've got some bright red drop dead lips I've got a little red card and mechanical hips I've got a hundred and five fever!!! ok! ok! hold it! I just want to say something you know, for every dollar a man makes a woman makes 63 cents. now, fifty years ago that was 62 cents. so, with that kind of luck, it'll be the year 3,888 before we make a buck. but hey, girl
Can take it and if we can't we're gonna fake it we're gonna save ourselves save ourselves (yeah tell it to the judge) we're gonna make it and if we don't we're gonna take it we're gonna save ourselves save ourselves we've got a fever of a hundred and five and look baby it's high tide. well I could just go on and on and on... but tonight I've got a headache
