

Oomph!

Arme um mich@@@@@@@@@@@@@@@@@@@@I have yourself cooled down at you I have yourself

scooped out with you I have yourself worn out at you I have yourself dissolved in you I have yourself dead at
you I have yourself dead at you I have yourself dead in you I have yourself dead at you You are not the night
me exposed - put your arms around me you are released power, me - put your arms around me you are that
anything, me euphemistically - put your arms around me you are the light, which fulfills me - put your arms
around me I have yourself abgemueht at you I have yourself struggled with you I have yourself expenditure-
lived at you I have yourself expenditure-dreamed at you I have yourself totgeschrien at you I have yourself dead
at you I have yourself dead at you I have yourself totgefrom at you You are not the night me exposed - put your
arms around me you are released power, me - put your arms around me you are that anything, me
euphemistically - put your arms around me you are the light, which fulfills me - put your arms around me You
are the night, me nourish you are power, me verzehrt you are the area, me veil you are the dream, which fulfills
itself You are not the night me exposed - put your arms around me you are released power, me - put your arms
around me you are that anything, me euphemistically - put your arms around me you are the light, which fulfills
me - put your arms around me
