

Itachi

Itachi

Mangekyou in the eyes, Only see blood when a ninja cries
Wanna kill me then you better get Sasuke!!

Itachi (Uchiha)

Mangekyou in the eyes, Only see blood when a ninja cries
Wanna kill me then you better get Sasuke!!

Yess, look in my eyes

Sharingan user in disguise

Give me any ninja, vag I'mma pillage

Plus I'm a renegade so fuck the leaf village

Kakashi wanna hate when I roll

So I'mma put his one eyed ass in the hole

Some mother fuckers just wanna act lame

Fuck around and end up in the fuckin' black flame

Itachi

Mangekyou in the eyes, Only see blood when a ninja cries
Wanna kill me then you better get Sasuke!!

Itachi (Uchiha)

Mangekyou in the eyes

Only see blood when a ninja cries

Wanna kill me then you better get Sasuke!!

Try to hide but I see ya

Know they can't fuck with the Uchiha

Hide your daughters, hide your sons

'For they get touched by the Sharingan

Somebody's poppin' pills

Throw me a look and she's gonna get killed

Ya'll mother fuckers wanna play my game

Ya'll better learn how to say my name (what's me name?)

Itachi

Mangekyou in the eyes

Only see blood when a ninja cries

Wanna kill me then you better get Sasuke!!

Itachi (Uchiha)

Mangekyou in the eyes

Only see blood when a Ninja cries

Wanna kill me then you better get Sasuke!!

Itachi

Mangekyou in the eyes

Only see blood when a ninja cries

Wanna kill me then you better get Sasuke!!

Itachi (Uchiha)

Mangekyou in the eyes

Only see blood when a ninja cries

Wanna kill me then you better get Sasuke
