

# Shake

## Nathaniel Rateliff & the Night Sweats

Shake baby  
I feel it when you  
Shake baby  
I really want to  
Shake baby  
Come on and just  
Shake baby

Never gonna stop, feel it when it's hot, oh  
Get on your knees and come to me now  
I hope you really like to swing wild  
Why don't we step in just see now  
Curl your lips gonna be while  
Take off that dress don't make a scene now  
Stick out your hip and squeeze me a while  
Curl your back start to swing now  
And let me think it's what you mean, now  
Shake baby  
I feel it when you  
Shake baby  
I really want to  
Shake baby  
Come on and just  
Shake baby

Never gonna stop, feel it when it's hot, oh  
Get on your knees and come to me now  
I hope you really like to swing wild  
Why don't we step in just see now  
Curl your lips gonna be while  
Take off that dress don't make a scene now  
Stick out your hip and squeeze me a while  
Curl your back start to swing now  
And let me think it's what you mean, now  
Shake baby  
I feel it when you  
Shake baby  
Come on and just  
Shake baby  
I really want to  
Shake baby  
Come on and let's shake baby  
I love it when you shake baby  
Come on and just shake it baby  
I love it when you shake baby  
Never gonna stop, feel it when it's hot, oh

Never gonna stop, feel it when it's hot, oh
