

Stranglehold

U.K. Subs

1, 2, 3, 4, 5, 6

Gotta do a dance

And it goes like this Yeah, some little girls got a hold on me

She's only 13 but, oh, so sweet

Got me down on my knees

Got a stranglehold on me She puts her arms around me like a vice

It's, oh, so painful but nice

But I can only take it once or twice

Got a stranglehold on me Got a stranglehold on me

Got a stranglehold on me

Got a stranglehold on me

Stranglehold
