

Stay

Sara Bareilles

Ayyy
Ehhh
Saturday
Empty room
Filled with people
Don't mean a thing to you and I
Holding hands, nobody knows
Nobody understands
I don't care for sunlight
It only means it's over
I'm in no mood for that
Stay tonight
Don't come morning
Don't come light
They may be lies
Say it, say that we'll be all right
If we stay tonight
My hands are shaking
This is a complicated love for me
Keep your eyes closed

You've seen it baby
You've seen where this goes, oh
Stay tonight
Don't come morning
Don't come light
They may be lies
Say that we'll be all right
If we stay tonight
Gonna feel it baby, oh
I don't wanna cry
I know we'll get to tomorrow
And say goodbye
That's why I ask you for tonight
Stay tonight
Don't come morning
Don't come light
They may be lies
But say that we'll be all right

(Say that we'll be all right)
Say that we're gonna be all right
Tonight.
