Does anybody want to take me on?  
Does anybody want to hear the things I have to say, I feel today?  
Does anybody want to see me cry?  
If I'm the only one, I'd rather dieThoughtless baby, thoughtless baby  
Thoughtless babyDoes anybody want to see me swear?  
Does anybody want to walk along the sea?  
Sometimes it's like it's sick  
Sometimes it's thrown awayThoughtless baby  
Thoughtless baby  
Thoughtless babyDoes anybody want to take me home?  
Does anybody want to see me die?  
Any cries, throws awayThoughtless baby  
Thoughtless babyDoes anybody want to see me cry?  
If I'm the only one, I'd rather dieThoughtless baby, I'd rather dieDoes anybody want to take me home?  
Does anybody want to take me home?  
Does anybody want to take me home?  
Does anybody want to take me home?
