## Gemini

3D Romeoshape of my heart  
piece it together  
then pull it back apart  
under my skin  
i'll let your love inkiller in bed  
no more redemption  
you got inside of my head  
put down my arms  
you can do no harmmy 3D romeo  
we're gonna play them hard  
until they start to fallone love in digital  
we're gonna blow it upjust like the video  
we're gonna take em down  
so we can have it all  
my 3d romeolove you to death  
i'd jump off the edge  
and do it with no regrets  
all that I need  
you should be with meyou are the one  
make me your queen  
and love me till kingdom come  
put down your arms  
you can do no harm
