Blind Mary

Scott Hiltzik

Ah
Um, ah
Yeah, I love Mary
(I love Mary)
Blind Mary, marry me
(Marry me)
I love Mary
She has never seen the sunshine
(Sunshine)
Yet, she's getting along just fine
(Fine)
She's not staying, she's just passing through
Hey, do you mind if I follow you?
You
I love Mary
(I love Mary)
Blind Mary, marry me
(Marry me)
I love Mary, yeah
I heard a voice say catch me if you can
Before you know it I was holding her hand
It's harder to imagine, I understand
How she knows exactly who I am, yeah
I love Mary
(I love Mary)
Blind Mary, marry me
(Marry me)
I love Mary, yeah
She's my friend, she doesn't judge me
She has no idea I'm ugly
So I've absolutely nothing to hide
Because I'm so much prettier inside
Yeah
I love Mary
(I love Mary)
Blind Mary, marry me
I love Mary
(I love Mary)
Blind Mary, marry me
