Baby When The Light

David Guetta

In spite of all the consequence
In spite of all my pride
In spite of little things you said
That hide me deep insideI believe your love, I breathe your love
Like the air in the morning
I sleep your love, I salute your love
And I can't get awayBaby, when the lights go out
I hear you calling, I hear you calling
Baby, when the lights go out
I need youBaby, when the lights go out
I hear you calling, I hear you calling
Baby, when the lights go out
I need youThe lights of all you see
You could have overcome all this
And I still can't get over you
Are you someone I'll forever missI believed your love, I can feel your love
And it's all that I wanted
I sleep your love, I salute your love
And I can't get awayBaby, when the lights go out
I hear you calling, I hear you calling
Baby, when the lights go out
I need youBaby, when the lights go out
I hear you calling, I hear you calling
Baby, when the lights go out
I need youAnd there's the dark begins to rain
The sound is heavy on me
Baby, when the lights go out
I need youUnder the spell
I wanna be under your touch
Under the spell
I wanna be under the rushBaby, when the lights go out
Baby, when the lights go outBaby, when the lights go out
I hear you calling, I hear you calling
Baby, when the lights go out
I need youBaby, when the lights go out
I hear you calling, I hear you calling
Baby, when the lights go out
I need you
