This here is another one for the steppers
DJ Wayne Williams put the record onWhoa oh whoa oh whoa oh whoa yeah
Whoa yeah
Whoa oh whoa oh whoa oh whoa yeah
Whoa, whoaTell me what do we do
When the DJ's playing our favorite groove
We step
To when
The whole night through
And what do we do
When we're all dressed up and in the mood
We step
To what
A steppers groove
Where do we go soon as the weekend gets here
The club
Why
To party and have some fun
What is it that,
Can come and take away all your stress, tell me
Music
No further questions, you have passed my testHappy people (yeah, yeah yeah, yeah)
Keep the world turning, turning
Oh I believe that, happy people (yeah, yeah yeah, yeah)
Keep us all dancing, dancing, dancing
Happy people (yeah, yeah yeah, yeah)
Keep us all stepping, keep us stepping, stepping
Happy people (yeah, yeah yeah, yeah)
Keeps the music grooving, groovingTell me, now what do you do
When a feeling has come over you
You let go,
And what
Let it take control, let it
What do you say
When a gentleman asks you to dance, you
Say yes
And then
Get on the dance floor

Even when it seems, we're goin' through some hard times
What do we do
Keep smiling 'cause we know
We're gonna make it through
Now what is it that,
Can come and take away all your stress, tell me
Music
No further questions, you have passed my testHappy people (yeah, yeah yeah, yeah)
Keep the world turning, turning
Oh I believe that, happy people (yeah, yeah yeah, yeah)
Keep us all dancing, dancing, dancing
