

I Had The Craziest Dream

Frank Sinatra

I had the craziest dream, last night, yes I did
I never dreamed it could be
Yet there you were, in love with me I found (saw) your lips next (close) to mine, so I kissed you (them)
And you didn't mind it at all
When I'm awake, such a break never happens
How long can I guy go on dreaming If there's a chance that you care
Then please say that you do
Say it and make my craziest dream come true
