I Am

Kaedyn Kashmir

Iâ€™ve been working
For the way that Iâ€™d be
Didnâ€™t know who I am
Stealing precious moments baby
Gave me some sweet release
But you donâ€™t understand

Silence and confusion
Weakness and illusion
Iâ€™ll be running out of time again
Ambition and promotion
Money or devotion
Where did this begin?

I am
Searching
Everywhere
Iâ€™m stumbling in this space
Scared Iâ€™ve lost my place
Something isnâ€™t there
I am searching everywhere
Iâ€™m running out of time
Scared Iâ€™ve lost my mind
Something isnâ€™t fair

Youâ€™ve been hoping
That the thing behind me
Doesnâ€™t change who I am
You can feel commotion baby
Cause you wonâ€™t look at me
When youâ€™re holding my hand

Silence and confusion
Weakness and illusion
Are we running out of time again?
Ambition and promotion
Money or devotion
Where did is begin?

I am
Searching
Everywhere
Iâ€™m stumbling in this space
Scared Iâ€™ve lost my place
Something isnâ€™t there
I am searching everywhere
Iâ€™m running out of time
Scared Iâ€™ve lost my mind
Something isnâ€™t fair

Iâ€™ve been working
For the way that Iâ€™d be
Didnâ€™t know who I am
Stealing precious moments baby
Gave me some sweet release
But you donâ€™t understand

I am
Searching
Everywhere
Iâ€™m stumbling in this space
Scared Iâ€™ve lost my place
Something isnâ€™t there
I am searching everywhere
Iâ€™m running out of time
Scared Iâ€™ve lost my mind
Something isnâ€™t fair
