

# Please Do Not Go

## Violent Femmes

Tell you man I'm stuck on this lovely girl  
â€™Cause to me she mean all the world  
But then she like another guy  
I fall down dead, she never see the tears I cry

I said please please please do not go  
Please please please do not go  
Please please please do not go

How long can the days go on (oh oh oh)  
When my love is so strong? (oh oh oh)  
And I know I cannot tell a lie  
Oh oh oh, I wanna see him go bye, (goodbye)  
Bye (goodbye)  
Bye bye bye bye bye bye

Now I wonder  
I wonder what she would say  
Oh if I told her  
If I told her that I felt this way  
You know it might make her turn, might make her turn  
Might make her turn either way  
So all I can do is patiently pray, pray  
I pray pray pray

I said please please please do not go  
Please please please do not go  
Please please please do not go

How long can the days go on (oh oh oh)  
When my love is so strong? (oh oh oh)  
And I know I cannot tell a lie, (lie lie lie lie)  
Oh oh oh, I wanna see him go bye (goodbye)  
Bye (goodbye)  
Bye bye bye bye bye bye

Oh I tell you man I'm stuck, Iâ€™m stuck  
Iâ€™m stuck on this lovely girl  
And you know I could travel  
I could travel over the whole world

And you know what shoe does? She turn around,  
She turn around and she like another guy  
Oh what can I do? I fall down dead.  
She never see the tears I cry

Please please please do not go (repeat 1)  
Please please please do not go (oh oh) (repeat 1)  
Please please please, you hurt me so, (oh oh) (repeat 1)  
Please please please, I got something to show you (repeat 1)
