Crime Of Passion

Mike Oldfield

On a bright day she passed away in the morning
It's a cruel way to take her away with no warning
He took her hands through every midnight hour
And then saw her fading away like a spring shower
I can see a complete life time
Pictures and posters of times and fashion
Nineteen years with no reason or rhyme
Taken away in a crime of passion
He stood to see if he could catch her breathing
But it was no good, he understood she was leaving
He looked outside the frosty window pane
And then he saw her moving away, Elizabeth Jane
I can see a complete life time
Pictures and posters of times and fashion
Nineteen years with no reason or rhyme
Taken away in a crime of passion
I see freedom in sight, it's a long climb
But she would not give up the fight for a long time
And I see a light come shining in tonight
Baby, it's alright, we couldn't have changed it with second sight
I can see a complete life time
Pictures and posters of times and fashion
Nineteen years with no reason or rhyme
Taken away in a crime of passion
I see freedom light shining in the night
I see freedom but she wouldn't give up the fight
I see a light go shining in tonight
Baby, it's alright we couldn't have changed it with second sight
I see a light go shining in tonight
Baby, it's alright, we couldn't have changed it with second sight
