

# Don't Stop Believin'

## Alvin And The Chipmunks

You think the world should see things your way  
Love, I know you, you think good fortune's here to stay  
Love, I know you shined in everything you've tried before  
Your smile can open any door  
But on those days when nobody wants to know you  
And all your smiles keep fallin' on stoney ground  
Don't stop believin', don't stop believin'  
Don't stop believin', you'll get by  
Bad days, bad days will hurry by  
You never chase your dreams, they find you  
Love, I know you, if you need love, it finds you too  
Love, although you sail alone and free, I'll follow in your wake  
And pray one day my heart you'll take  
But on those days when nobody wants to know you  
And all your smiles keep fallin' on stoney ground  
Don't stop believin', don't stop believin'  
Don't stop believin', you'll get by  
Bad days, bad days will hurry by  
Days when nobody wants to know you  
And all your smiles keep fallin' on stoney ground  
Don't stop believin', don't stop believin'  
Don't stop believin', you'll get by  
Bad days, bad days will hurry by  
Days when nobody wants to know you  
And all your smiles keep fallin' on stoney ground  
Don't stop believin', don't stop believin'
