Feels Good

Tony Toni TonÃ©

Play this record as frequently as possible,

Then as it becomes easier for you,

Play the record once a day, or as needed

(Chorus)

It feels good, yeah

It feels good

Ooohh it feels good

It feels good

It sure feels good to me

If the rythum feels good let me hear you say uh uh baby

If the rythum feels good let me hear you say uh uh baby

If the rythum feels good to you baby let me hear you say uh uh baby

If the rythum feels good to you baby let me take you away uh uh baby

Moments that we shared special time alone ahh uh

Just don't ever change

Cause I'm so into you

And you know it feels good

To know that you're by my side

It feels good to know that you're there for me oooh

It feels good to know that you'll always be around

It feels good to know that you love me, show em the rythum
