Fool
Spitta get this whole shit jumpin like
Kangaroo pouch Louis Vuitton
The small things keep me different from these fools
Pull my draw strings
Keep my sweats off of my shoes
I'm a dawg mang keep my paws clean
I ain't fuckin with you at all
Lames is your whole set
Please don't recognize ya'll
Independent acrobatic
Make that loo sommersault
Rememberin my license and restrictions in my moms car
Came a long way
But I don't got time to be
Sittin at the dock of the bay
Wastin every second
Money can be made out a rhyme
I can do it on the dime
Kick the shit out the beat until it die
Call CSI
I got um runnin scared tryna catch up
57 heinz gregory the dance legend
Make music I'm steppin out
At a major event
Best dressed in attendance
And I never left the houseRight back at it
Like the Pilot get the pot
We can get it crackin in here

Audio Dope
We track traffickin
And they askin for mo is you back again?
And I ain't talking bout practice no mo.
When it's game time show me to the stove
Audio dope
Yea nigga we track traffickin
They askin for mo is you back again?Greens rolled under the gazzibo
Lemonade level vodka
Badgamon playin Keno
Musical Mafia
Loaded bases bring my Team home I'm the great bambino
Roulette wheels in the casino
Fat max scammin off the top
But that's the game we in
What you gone do about it huh?
Sacrifice and hit the independent prolly not?
They not like me.
That's why they don't like me
Me I'm like Lee
In my trilla in between
Scenes got the feature girl from the video full of weed
Break your foot tryna kick it like I kick it
Kill yourself tryna live how I'm livin
SPITTARight back at it
Like the Pilot get the pot
We can get it crackin in here
Audio Dope
We track traffickin
And they askin for mo is you back again?
And I ain't talking bout practice no mo.
When it's game time show me to the stove
Audio dope
Yea nigga we track traffickin
They askin for mo is you back again?(All around the world the same song
Cali buzz strong it's that love phase gone
So high tell my neighbors thought I moved out
Because your boy stays gone
Now tell me that I ain't got it and then keep a straight face punk!)
