Nowhere Near

Sean Mackey

Sensing silence
I am weakened
I'm moving from this, I am losing
I still feel you're with me
Are you still there?
And I think I found the answer
To where we're going

We're going here
We're going here
We're going here
And were nowhere near
(Nowhere near)

I smell the roses from you pillow
The faint aroma
Ashes from the fire
There still glowing

.....

We're going here
We're going here
We're going here
And were nowhere near
(Nowhere near)

We're going here
We're going here
We're going here
And were nowhere near
(Nowhere near)
