

# Nowhere Near

[Sean Mackey](#)

Sensing silence  
I am weakened  
I'm moving from this, I am losing  
I still feel you're with me  
Are you still there?  
And I think I found the answer  
To where we're going

We're going here  
We're going here  
We're going here  
And were nowhere near  
(Nowhere near)

I smell the roses from you pillow  
The faint aroma  
Ashes from the fire  
There still glowing

.....

We're going here  
We're going here  
We're going here  
And were nowhere near  
(Nowhere near)

We're going here  
We're going here  
We're going here  
And were nowhere near  
(Nowhere near)
