

# Demon Seed

## Morbid Angel

Fear the reaper, twisted lies

Fear the reaper you will die

Demon Seed evil feeds

Demon Seed virgin bleeds We crush jehova's church

Where we hang the priest Burn the cross blasphemy

Burn the cross jehova bleeds

Demon Seed evil feeds

Demon Seed jehova bleeds We crush jehova's church

Where we hang the priest Fear the reaper, twisted lies

Fear the reaper you will die

Demon Seed evil feeds

Demon Seed virgin bleeds

We crush jehova's church

Where we hang the priest
