# Two

## Reivers

If you take me back, back to your place
I'll try not to bother you, I promise
'Cause it's cold in here and I wish it was hot
The sink's broke, it's leaking from the faucet
I'm fractured from the fall
And I wanna go home
But it takes two when it used to take one
It takes two when it used to take only one
Well, my money's no good when I'm up to no good
No good ever comes from it, honest
I got a really good heart, I just can't catch a break
If I could I'd treat you like you wanted me to I promise
But I'm fractured from the fall
And I wanna go home
I'm fractured when I fall
And I wanna go home
It takes two when it used to take one
It takes two when it used to take one
It takes two when it used to take one
It takes two when it used to take only one
