## Love Is Reason

## a-ha

My breath was coming fast

And as I make a start

You turn to go

Oh, ohI'll do what you want me to

I'll cry at the thought of the loss of a heartLove is reason

Love is reason

Love is reason

Love is reason enoughMy morals are changing fast

I told you it wouldn't last

You turn and go

Oh, ohI'll be what you want me to be

I'd die at the thought of the loss of your heartLove is reason

Love is reason

Love is reason

Love is reason enoughOh, love is reason enoughI'll cry at the thought of the loss of a heartLove is reason

Love is reason

Love is reason

Love, love is reason enoughLove is reason

Love is reason enough

Love is reason

Love is reason enough
