

Neon Black

Candy Coated Killahz

Chorus]

Ain't no turning back (oh-oh)
My heart's gone neon black (oh-oh)
I just can't get it back on track (oh-oh)
My heart's gone neon black (oh-oh)
Ain't no turning back'Nother night out in the blur
Lost in the heat of a club with no name
Surreal like another world
Everybody's famous everybody wants fameMake your rules like a game show
But it ain't what I came for
'Nother night out in the blur
And I've become a renegadeAnywhere I go no I ain't at home (oh-oh)
All I see is faces I don't know
And now I know I'm on my own (oh-oh)
And on and on and on the feeling grows[Chorus]
Ain't no turning back (oh-oh)
My heart's gone neon black (oh-oh)
I just can't get it back on track (oh-oh)
My heart's gone neon black (oh-oh)
Ain't no turning backDriving down a one-way street
People in their cars headlights staring at me
One of these things just ain't the same
And if I don't belong would you get uglyOverload gotta let go
Nothing new like an echo
Driving down a one-way street
And I've become a renegadeAnywhere I go no I ain't at home (oh-oh)
All I see is faces I don't know
And now I know I'm on my own (oh-oh)
And on and on and on the feeling grows[Chorus]
Ain't no turning back (oh-oh)
My heart's gone neon black (oh-oh)
I just can't get it back on track (oh-oh)
My heart's gone neon black (oh-oh)[Bridge x2]
I hear footsteps on the concrete
Baby that's my heartbeat
And I'll never get it back
Strangers on a dark street
Baby where's my heartbeat?
Everything is neon black[Chorus x2]

Ain't no turning back (oh-oh)
My heart's gone neon black (oh-oh)
I just can't get it back on track (oh-oh)
My heart's gone neon black (oh-oh)
Ain't no turning back
