

# Now That You're Gone

[Sheryl Crow](#)

Well, I can see heaven  
See it all but the plane  
If I start running now I think I can make it  
And never look back again Your face is all around me  
Your keys are in my hand  
And everywhere I go  
I try to remember exactly who I am 'Cause now that you're gone I can breathe  
Now that you're gone I am free  
Free to make a mess of everything  
'Cause nothing belongs to me  
Now that you're gone I can breathe, I can breathe We made a bed of roses  
I got pricked by the thorns  
On a long cold night  
I still think I'm bleeding, I wake up all torn Well, I'm a missing person  
Lost it all but my name  
And I'm afraid some long lonely road  
Will lead me back to you again Now that you're gone I can breathe  
Now that you're gone I am free  
Free to make a mess of everything  
'Cause nothing belongs to me  
Now that you're gone, now that you're gone  
Now that you're gone, oh Now that you're gone I can breathe  
Now that you're gone I am free  
Free to make a mess of everything  
'Cause nobody's watching me Oh, now that you're gone I am free, yeah  
Now that you're gone I can breathe, oh  
And now that you're gone I am free  
Now that you're gone I can breathe
