

# I Got It Bad

**Bill Evans**

I got it bad, I got it blue  
I got it sad, I ain't got you  
I did you wrong, you got the right  
Look what I had, I got it bad  
Gone and left me lonely cryin' like a fool  
I just can't believe love could be so cruel

I got it bad, I got it blue  
I got it sad, I ain't got you  
I did you wrong, you've got the right  
Look what I had, I got it bad

I know someday I'll get on my feet again  
I'll get over you but baby until then  
I got it bad, I got it blue  
I got it sad, I ain't got you  
I did you wrong, you got the right  
Look what I had, I got it bad  
Look what I had, I got it bad
