

Oh Girl

Ginuwine

Oh, oh
Why why why
NoOh girl, I know, it feels like your alone
But more have gone through the same thing
The pain I know, it seems too much to bare
But time heals wounds I know it don't seem fair[Chorus]
 Girl I know your pain and it hurts so deep
 Ive been there before (ive been there before)
 But baby you will see
 That we've all been hurt (all been hurt baby)
 We've had our falls
 Better to have loved
 Then not have love at all
(oh not at all)Oh girl, I know, in life things change alot
 But you see that's life
 And that's what life's about
 But there's more fish in the sea
 You can bet cho' last dollar
 Please believe me
I know you will go on[Chorus: x2]Girl (girl) I (i) know (know) what your feeling deep inside
 (i know what your feeling deep inside)
 It will all fade away (it will all fade away)
Baby it will past you by (baby it will past you by..o please believe me baby...)[Chorus: repeats]
