## The Walls Group

Father, I know you'll hear me when I call your name  
I'm not talking to myself, I know I am not insane, hm  
I need some help from You, he  
And I'm facing some problems that I can't get through  
I tried it by myself but it ain't working  
And father I know, I know there's one thing is for certain  
That the master of the sea, yeah  
Yeah, only He holds the answers that I seek So father  
I need a word from You  
Oh, I need a word Jesus  
'Cause my mama and my friends truly will not do, no  
Father won't you speak to me  
Oh, help me  
'Cause Yours is the only help I need  
Ooh ooh ooh  
Speak to me Jesus  
Ooh ooh ooh  
I am quite confused  
Ooh ooh ooh  
I don't know which way I'd go  
Ooh  
I don't know what to do  
Ooh ooh ooh  
I can't see my way out  
Ooh ooh ooh  
Lord, take my hand  
Ooh ooh ooh  
'Cause I need a word from You  
Now God I don't mean to be rude or selfish, no  
But I have exhausted every resource I have  
I just can't help it  
If I could be honest reading Your word, just won't do  
That's why I'm coming straight to You  
See I know that there are something You have for me  
Only, only You know what I need  
So right here I'll stand and right here I'll wait  
Till You come down and speak to me I need a word from You  
Lord, my mama and her friends they ain't doing it for me, no  
Father, won't you speak to me

Oh Lord, oh Lord  
Oh thank You, only You have the answers that I seek so, father
