Na Na Na

Toby Love

You feel that?
It's like my heart doesn't light up
It doesn't light up
I lost all my super powers
Got hit with the kryptonite
Kryptonite 'cause you're goneLa na na na na la na na na na
Falling into darkCity bright lights shine on me
(City bright lights Times Square)
Walking tho low pensando en ti
Embriagado marquÃ© tu telÃ©fono
I wanna know that you
Do you love me?Ya no ilumina mi corazÃ³n
Y no palpita porque no hay amor
You're my super woman
Use your powers
Come and save me in my world
(Oh yeah yeah yeah)La na na na na la na na na na
We were supposed to be togetherEn este mundo oscuro
Siento un amor tan puro
La realidad es que I'm going crazy
Ven cÃºrame como ayer
Trae medicina de amorHoy me muero de las ganas ganas
Quiero devorarte en mi cama cama
Take away all theseYa no ilumina mi corazÃ³n
Y no palpita porque no hay amor
You're my super woman
Use your powers
Come and save me in my worldLa na na na na la na na na na
We were supposed to be togetherLa na na na na la na na na naIt's Toby Love
Bababa cha tera tera tera come onTalk to me, girlLosing my mind
That's when I saw youLa na na na na la na na na na
We were supposed to be together
It's falling to the darkLa na na na na la na na na na
We were supposed to be together
