

# Oh Mandy

Barry Manilow

I got a gnome in the backyard  
I put him right on the X mark  
Hes supposed to show me where the money is  
Hey, won't you show me where the money is? I got it all on the back of my hand  
I want your answer so I won't forget  
Then show me right where your heart is  
Oh, right now tell me where your heart is Oh Mandy, oh Mandy  
Oh Mandy, oh Mandy  
So dreamy, oh Mandy  
So killing, oh Mandy Sure I had trouble from the onset  
I tried to chase things I couldn't get  
Show me a rerun on the W  
Show me a rerun on the WB So what's it like to be in it  
And move away to the Midwest  
I gotta message for your auntie  
I gotta message for your auntie Oh Mandy, oh Mandy  
Oh Mandy, oh Mandy  
So dreamy, oh Mandy  
So killing, oh Mandy Oh Mandy, oh Mandy  
Can read me and has me  
Oh Mandy, oh Mandys  
Completely out of reach And now I know Im at the end of my wits  
Don't gotta tell me where this is going  
'Cause I know nothing ever falls apart  
Yeah, I know nothing ever falls apart Remind me once more where this is going  
Before I fling it out into the ocean Its kind of level but it's wavy  
It's looking more blue than it is green  
Its looking quiet as I jump in  
So I can finally hear you scream You got a gnome in the backyard  
You put him right on the X mark  
Youre eating brains out the back of my head  
Oh yeah, that's where the money is Oh Mandy, oh Mandy  
Oh Mandy, oh Mandy  
So dreamy, oh Mandy  
So killing, oh Mandy Oh Mandy, oh Mandy  
Can read me and has me  
Oh Mandy, oh Mandys  
Completely out of reach
