Chance To Desire (Extended Vocal Version)

Radiorama

Following melodies
Sailing abound the seas
Trying to find a landMy ship gets to the shore
I walk into your door
Can't you understandAll I want is love
All I want is love
I can't get enough
I can't get enoughAll I want is love
All I want is love
I can't get enough
I can't get enoughSo right is wrong to stand
Stay while I can feel your hand
I wished a dream would lastSearching for lover nights
I find it through disguise
Sometimes I go too fastAll I want is love
Ah... all I want is love
I can't get enough
A h... I can't get enough...All I want is love
Ah... all I want is love
I can't get enough
Ah... I can't get enough...REFRAIN:
Come on, come on, come on, come on
Give a chance to desire
Come on, come on, come on, come on
Give a chance to desire
Come on, come on, come on, come on
Give a chance to desire
Come on, come on, come on, come on
Give a chance to desireYou are the one
I could reach for the sun
But you let me go higherI'll maybe believe when I
Find you won't leave
Give a chance to desire
