

Fame (Live at the Beeb 2000)

David Bowie

Fame (fame) makes a man take things over
Fame (fame) lets him lose hard to swallow
Fame (fame) puts you there where things are hollow
Fame (fame)

Fame not your brain it's just the flame
That puts your change to keep you sane (sane)
Fame (fame)

Fame (fame) what you like is in the limo
Fame (fame) what you get is no tomorrow
Fame (fame) what you need you have to borrow
Fame (fame)

Fame nein it's mine is just his line
To bind our time it drives you to crime (crime)
Fame (fame)

Could it be the best could it be?
Really be really babe

Could it be my babe could it babe?
Could it babe could it babe?

Is it any wonder I reject you first
Fame (fame) fame fame

Is it any wonder you are too cool to fool
Fame (fame)

Fame bully for you chilly for me
Got to get a rain check on pain
(pain)
Fame

Fame fame fame fame fame
Fame fame fame fame fame
Fame fame fame fame fame
Fame fame fame fame fame
Fame fame fame

Fame

What's your name?

What's your name?

What's your name?...

Feeling so gay
