

Sidewalk Serfer Girl

Super Furry Animals

Patty Whitebull fell asleep for fifteen years
Then unexpectedly she woke to joy and tears
She ordered pizza and asked about her kids
They're all grown up now on the reservation grid Sidewalk serfer girl
I'd do anything to catch you
Falling
Sidewalk serfer girl
I'd do anything to be with you
Sometimes Since Patty left the scene
Things have grown so extreme
Sidewalk serfer girls searching for a dream Paraglide through space die your bungee best
Set yourself alight whilst famine kills the rest Sidewalk serfer girl
I'd do anything to catch you
Falling
Sidewalk serfer girl
I'd do anything to be with you
Sometimes
(I dream of sidewalk serfer girl)
Sometimes
Sometimes
(I dream of sidewalk serfer girl) While Patty's having fun we ?
She cruises the streets at night she left home on the run
(swell)
She never talks to me thinks I'm a major yawn
(excuse me)
Return the difference don't retake me, I'm no pawn Sidewalk serfer girl
I'd do anything to catch you
Falling
Falling
Falling
Falling
Falling Sidewalk serfer girl
I'd do anything to (I dream of sidewalk serfer girl)
